

Introducing new Programme Officer for IAHR Hydraulics Division

Our Membership Secretary Ms Elsa Incio has recently been appointed Programme Officer for the new IAHR Hydraulics Division. She will support the Division Chair (and IAHR Vice President Prof. Jean Paul Chabard and Secretary Prof. Colin Rennie.

Elsa is a graduate in tourism from – an area of high importance in Spain and closely aligned to her interest in travelling and languages. After graduating she went to live in Dublin for one year in order to perfect her English. After which temporarily joined IAHR Delft to assist us in our move to Madrid. Following this period she completed a Masters Degree in European Tourism Management (ETM) and lived in Sweden and France for one year before returning to the University of Madrid to complete a Degree in Humanities. Elsa finally returned to IAHR in Madrid responsible for memberships, subscriptions and book sales.
