*NewsFlash banners specification

View in your browser December 2013

top premium banner
630x105 px
jpg, png

medium banner
314x48 px
jpg, png, gif
(can rotate)

side square banner
190x 190 px
jpg, png

The screenshot shows the NewsFlash World website interface. At the top, there is a navigation bar with links for News, Events, Droplets, Publications, Forum, and Jobs & Scholarships. Below this, there are several banners and news articles. The top banner is a premium banner for Taylor & Francis, promoting the Journal of Applied Water Engineering and Research with a 'FREE access' badge. Below this is a world map banner with the 'newsflash' logo and the IAHR AIRH logo. The main content area features a 'SonTek-IQ' banner, a 'Ready to Go Pro?' banner for Teledyne, and a news article titled 'Tidal Surge: Winter Storm 'Xaver' Batters Northern Europe'. Below the article, there are social media icons for Facebook, LinkedIn, and Twitter, and an email icon. Another news article titled 'Philippines prepares for climate resilient future post Typhoon Haiyan' is visible, along with a banner for the 'Prince Sultan Bin Abdulaziz International Prize for Water'.
