YPN TALK – HOW TO WRITE A JOURNAL PAPER

Speaker : Prof. Mohamed Ghidaoui

Date : August 17, 2017 (Thursday)

Time : 16.30 - 17.30 p.m.

Venue : Johor/ Kedah Room

IAHR as a community of Engineering Professionals has a desire, as one its goals, to enhance communication between Hydro-environmental Engineers and Researchers. Journal papers are one mechanism for this communication. Hence IAHR has a desire of enhancing the papers submitted to Journals and particularly those Journal published as part of its service to its members. This presentation by Prof. Mohamed Ghidaoui from Hong Kong to the YPN attendees will provide back group information on how to write a Journal paper. He is currently the Editor of the Journal of Hydraulic Research which is one of IAHR's premier journals. From the perspective of an Editor he will be able to provide unique guidance on the development of a journal paper for publication.
